NGBS Green Certificate #NGBSGCP-000220

Product: Viance Preserve (CA) Pressure Treated Lumber

Manufacturer: Viance LLC

The product(s) shown on this report have been independently verified as eligible products for use in achieving points toward project certification under ICC-700 National Green Building Standard. Home Innovation Research Labs authorizes accredited verifiers to award points toward certification without additional documentation when the product(s) is used as noted below.

<b>2020 NATIONAL GREEN BUILDING STANDARD</b>			
<b>PRACTICE #</b>	<b>PRACTICE DESCRIPTION</b>	<b>POTENTIAL POINTS AVAILABLE</b>	<b>ADDITIONAL CONDITIONAL OF USE TO AWARD POINTS</b>
503.2(4)	Erosion reduced through use of terracing, retaining walls, landscaping and restabilization.	6	Retaining walls built with this product must be an integral part of the installed landscape plan designed to limit long-term erosion.
602.1.6	Termite-resistant materials are used for the foundation, all structural walls, floors, concealed roof spaces not accessible for inspection, exterior decks, and exterior claddings within the first 2 ft above the top of the foundation. 2 points available.	2-6	To earn 2 points, product is used in conjunction with other termite-resistant materials for the first 2' of all the foundation, floor, and structural wall, wall cladding, and exterior deck components in zones with slight to moderate termite infestation. Four points are awarded when used in the first 3' in moderate to heavy termite zones, and 6 points are awarded for use in all of the foundation, floor, and structural wall, wall cladding, and exterior deck components in areas of very heavy termites.
